

An "iMoneyMinute" is an idea that in less than one minute will give you a way to save time, save money, make money, or reduce your financial risk.

## Stay Safe and Save Money...

This is a friendly reminder from Integrity Financial to be sure and re-evaluate your insurance each year. Making sure you have the coverage you need and shopping around can save you a lot of money. Imagine spending 30 minutes or an hour to find a better rate that will save you \$100 a year. How many hours would you have to work to make that \$100? And if you can save \$200, how much time would that save you?

There are websites out there that help you compare rates online, such as

[www.netquote.com](http://www.netquote.com),

[www.insurance.com](http://www.insurance.com),

and [www.insure.com](http://www.insure.com).

Another option is to talk to an insurance broker who has access to multiple companies and can find you the best rate from their pool of companies.

You can also call our office to set up a review of your insurance accounts with one of our financial advisors. (303) 462-2001.

However you go about it, it is a good process to go through once a year to make sure you are
