

An "iMoneyMinute" is an idea that in less than one minute will give you a way to save time, save money, make money, or reduce your financial risk.

## Save Money at the Movies

We are always looking for ways that you can save money and still enjoy getting out to do things. One great money saver is the ***Five Buck Club*** at ***Kerasotes*** theaters. Each week they email out a list of eligible movies that only cost \$5 per ticket – these are movies that have been out usually at least 2 weeks, which really isn't that long! When you register, you can also view the week's schedule online.

For a family of 4 you could save \$20 each time you go to the movies. If you go once a month, that's a yearly savings of \$240!
