## Save on Dining, Shopping, and Entertainment!

Do you enjoy eating out but find that it cuts into your budget? Or would you like to be able to eat out more and stay within your budget? We've found some great sites where you can do just that. These sites are created specifically to offer discounts on goods and services that you already use (remember to spend *within* your budget!).

[Restaurant.com](#) – Get great deals on dining at your favorite local restaurants, or send gift certificates to friends across the country for their favorite restaurants!

[Groupon.com](#) – When you sign up for Groupon, you receive daily emails with the featured coupon of the day. Often the coupon is for 50% off! The way it works: You buy the coupon on the day it is featured, then redeem it at the vendor later (most coupons are good for several months).

[Denver Perks](#) – You don't have to sign up for these Denver deals on dining, shopping and entertainment (there's even a clearance section where you can get the best deals!)

Happy Savings from all of us at iMoneyCoach and Integrity Financial!

We hope the iMoneyMinute is useful to you. If you have a different email address you would like us to use, or if you would prefer to no longer receive the iMoneyMinute emails, please email us at [advisor@ifsweb.com](mailto:advisor@ifsweb.com).
