Comments Made in the Year 1955

"I'll tell you one thing, if things keep going the way they are, it's going to be impossible to buy a week's groceries for \$10.00."

"Did you hear the post office is thinking about charging 7 cents just to mail a letter."

"If they raise the minimum wage to \$1.00, nobody will be able to hire outside help at the store."

"When I first started driving, who would have thought gas would someday cost 25 cents a gallon. Guess we'd be better off leaving the car in the garage."

"No one can afford to be sick anymore. At \$15.00 a day in the hospital, it's too rich for my blood."

"If they think I'll pay 30 cents for a haircut, forget it."

It seems like we've come a long way since then. However, we are still saying the same things - just with different numbers. At iMoneyCoach we like to try to save you money where we can and make life easier. Here are a few ideas to save time and money online:

[FREE PDF Converter](#) - allows you to convert Word, PowerPoint, Excel, images and more to PDF documents.

[Google docs](#) - allows you to create documents, spreadsheets, and more and access them at home or work without having to remember to save the latest copy and email it or take it with you. Also allows for collaboration with a team for faster editing.

[Prezi](#) - a new twist on slideshow presentations. Forget PowerPoint - this online tool allows you to create and store more dynamic presentations. With Prezi, it's easier to show relationships between ideas and to get creative so your audience will be more engaged.

[HassleMe](#) - a great tool for helping you remember to do things that you tend to forget. The site will send you emails at semi-unpredictable intervals so you don't know exactly when the reminder is coming. This way you can do things like remember to adjust your budget roughly every 7 days or go to the gym roughly every 4 days.

We hope the iMoneyMinute is useful to you. If you have a different email address you would like us to use, or if you would prefer to no longer receive the iMoneyMinute emails, please email us at coach@imoneycoach.com.

We would also love your feedback on our emails! Please fill out [this short survey](#) to help us better serve you.
