Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site.

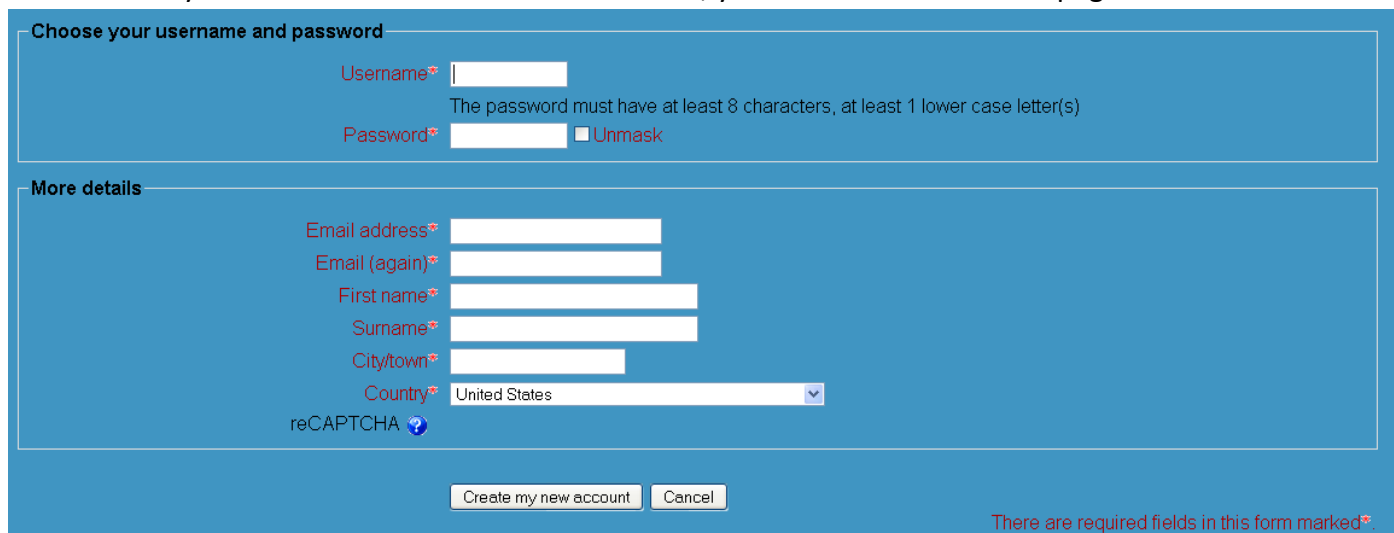

Each of the individual courses may also have a one-time "enrollment key," which you won't need until later. Here are the steps:

1. Fill out the New Account form with your details by clicking the button below.
2. An email will be immediately sent to your email address. Read your email, and click on the web link it contains. Your account will be confirmed and you will be logged in.
3. Now, select the course you want to participate in.

If you are prompted for an "enrollment key" - use the one that your teacher has given you. This will "enroll" you in the course. If you do not have an enrollment key, you will need to enter your credit card information to pay for the course and be enrolled automatically.

You can then access the full course, and you will only need to enter your personal username and password (in the form on this page) to log in and access any course in which you are enrolled.

4. When they click the “Create new account” button, you will need to fill in this page:

The registration form is divided into two main sections: "Choose your username and password" and "More details".

Choose your username and password:

- Username***: A text input field.
- Password***: A text input field with an "Unmask" checkbox.
- A note below the password field states: "The password must have at least 8 characters, at least 1 lower case letter(s)".

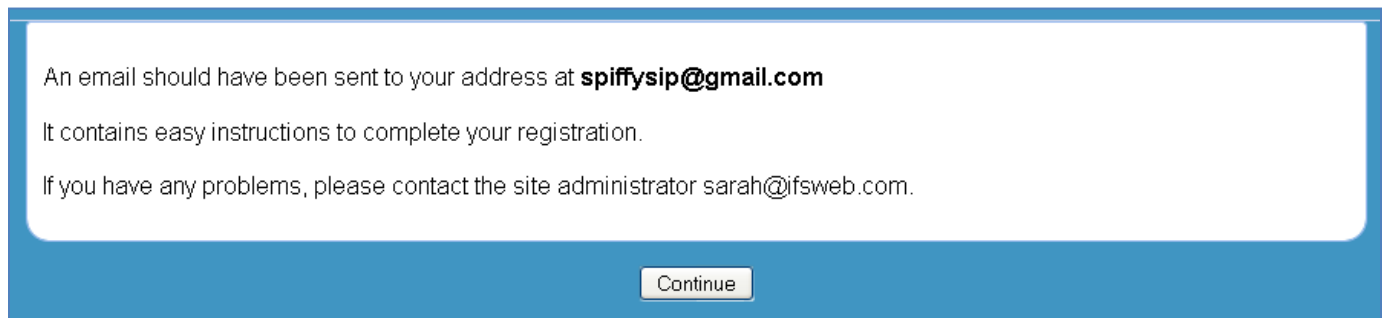

More details:

- Email address***: A text input field.
- Email (again)***: A text input field.
- First name***: A text input field.
- Surname***: A text input field.
- City/town***: A text input field.
- Country***: A dropdown menu currently showing "United States".
- reCAPTCHA**: A small icon with a question mark.

At the bottom of the form are two buttons: "Create my new account" and "Cancel".

A red asterisk (*) is located at the bottom right of the form, with a note: "There are required fields in this form marked*".

5. When you click “Create my new account” this screen will come up saying to check that email for instructions to complete registration (this is to validate your email addresse):

The screen displays the following text:

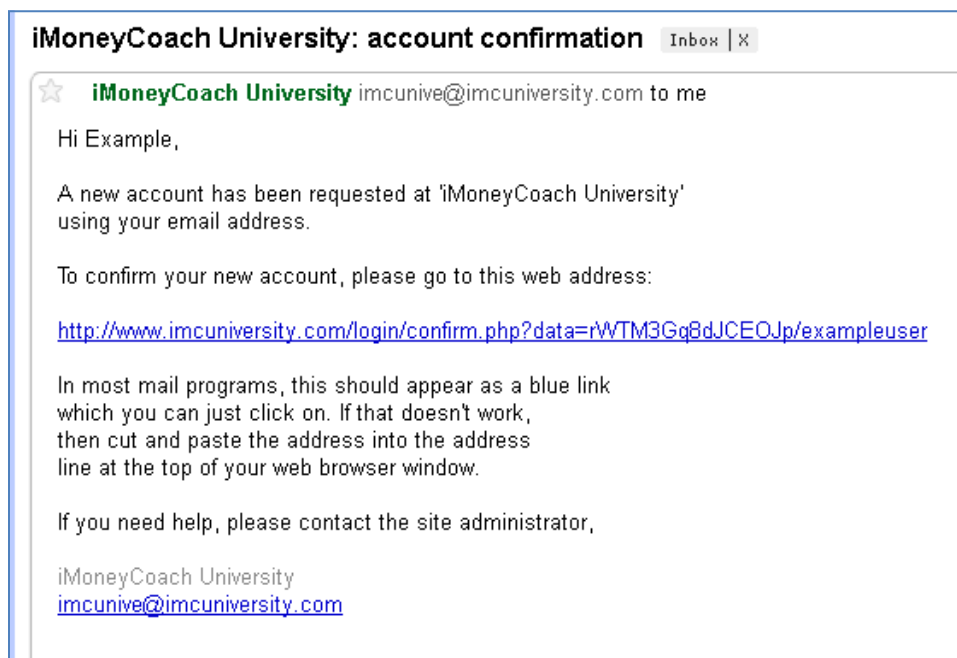

An email should have been sent to your address at **spiffysip@gmail.com**

It contains easy instructions to complete your registration.

If you have any problems, please contact the site administrator sarah@ifsweb.com.

At the bottom center is a "Continue" button.

6. This is what the email looks like:

The email is titled "iMoneyCoach University: account confirmation" and is from "imcunive@imcuniversity.com".

The body of the email reads:

Hi Example,

A new account has been requested at 'iMoneyCoach University' using your email address.

To confirm your new account, please go to this web address:

<http://www.imcuniversity.com/login/confirm.php?data=rWTM3Gq8dJCEOJp/exampleuser>

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

If you need help, please contact the site administrator,

iMoneyCoach University
